Lady Macbeth says, “What's done cannot be undone.” But can it be repurposed? Based on Shakespeare’s iconic tragedy, ERA's experimental production *Trash Macbeth* resuscitates meaning within a climate of destruction, reestablishes the societal norms of America’s most traditional era, and reframes the value of our revered Shakespeare, housewifery, and garbage.

Trash Macbeth is a full-length, theatrical production created by an ensemble of theatre artists with text from Shakespeare's *Macbeth*, Emily Post's *Etiquette*, the book of *Revelations*, Dr Benjamin Spock's *Common Sense Book of Baby and Child Care*, Sun Tzu’s *The Art of War*, and 1950's era advertisements.

We cordially invite you to the Macbeth’s residence for the dinner party of your life!
